MEMORANDUM FOR: Executive Director-Comptroller

Attached are the Director of Personnel's proposals for the Retiree Placement and Counseling Program. I am sending this paper forward for your consideration even though it is not, in my opinion, fully responsive to the main points we agreed upon in our 20 December 1966 meeting. The one point that all agreed to at that meeting was a concerted effort to link up with private schools and public schools under the various state educational systems for determination of teaching positions for which our retirees might qualify. The DD/P was fully prepared to assign officers to assist Personnel in the canvass of and negotiation with such schools. I think this understanding has been missed in this paper.

Rather than delay this program further I submit this for consideration so that we can develop definite guidance to Personnel as to their program direction.
